

Illicit Drug Reporting System

If you are 18 years or older, have injected drugs in the last 6 months and live in Canberra, we'd love to invite you to take part in our paid study!

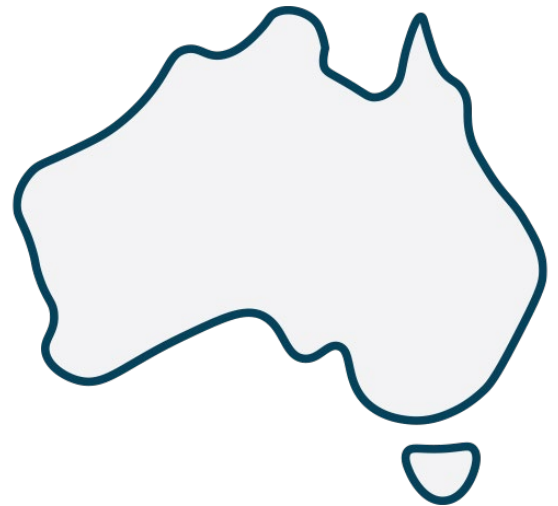

What: 45min – 1h phone interview

When: At a convenient time for you via phone or videoconference call

Reimbursement: \$40, either via bank transfer, Australia Post domestic money transfer, or an electronic gift card

Contact: 0405 567 118

drugtrends@unsw.edu.au

The aim of this research is to understand trends in illicit drug use, harms and market trends to inform drug treatment and harm reduction in Australia.

Not everyone can be interviewed.

Call Julia on 0405 567 118 to see if you are eligible.
